Chapter 17 | RAILROAD COORDINATION

	<u>Procedure Number</u>
SECTION 1 - OVERVIEW	
Subject 1 - General	17-1-1
Subject 5 – The WisDOT/Railroad Partnership	17-1-5
Subject 10 – The WisDOT/OCR Partnership	17-1-10
SECTION 5 – BACKGROUND	
Subject 1 – Sources and Types of Railroad Projects	17-5-1
Subject 5 – Relevant Statutes	17-5-5
Subject 10 – Negotiating Guidelines	17-5-10
Subject 15 – Manuals and Textbooks	17-5-15
Subject 20 – Data Sources	17-5-20
SECTION 10 – AGENCY RESPONSIBILITIES	
Subject 1 – Role of the District Railroad Coordinator	17-10-1
Subject 5 – Role of Project Managers	17-10-5
Subject 10 – WisDOT	17-10-10
Subject 15 – Office of the Commissioner of Railroads (OCR)	17-10-15
Subject 20 – Railroads	17-10-20
Subject 25 – Federal Agencies	17-10-25
Subject 30 – Local Government	17-10-30
SECTION 15 – TYPES OF PROGRAMS	
Subject 1 – General Overview	17-15-1
SECTION 20 – IMPLEMENTING PROJECTS	
Subject 1 – General	17-20-1
Subject 5 – Project Scheduling	17-20-5
Subject 10 – The Agreement	17-20-10
Subject 15 – Letter Agreements	17-20-15
Subject 20 – Detours and Haul Roads	17-20-20
SECTION 25 - ACTIVE WARNING DEVICE PROJECTS	
Subject 1 – General	17-25-1
Subject 5 – Highway Improvement Projects	17-25-5
Subject 10 – WisDOT Safety Projects	17-25-10
Subject 15 – OCR Safety Projects	17-25-15
SECTION 30 – CROSSING SURFACE PROJECTS	
Subject 1 – General Criteria	17-30-1
Subject 5 – Highway Improvement Program	17-30-5

Procedure Number

SECTION 30 – CROSSING SURFACE PROJECTS- continued

Subject 10 – WisDOT Safety Projects	17-30-10
Subject 15 – STH Surface Repair Program	17-30-15

SECTION 35 – CROSSING CLOSURE AND CONSOLIDATION

Subject 1 – Overview	17-35-1
----------------------	---------

SECTION 40 – SEPARATION PROJECTS

Subject 1 – Overview	17-40-1
Subject 5 – Structure Criteria/Justification	17-40-5
Subject 10 – Alternatives to Structures	17-40-10
Subject 15 – Bridge Replacement Program	17-40-15
Subject 20 – Unique Structure Agreements	17-40-20
Subject 25 – Costs/Cost Sharing	17-40-25
Subject 30 – Structure on Local System	17-40-30
Subject 35 – Underpass Structures	17-40-35
Subject 40 – Miscellaneous Structure Provisions	17-40-40

SECTION 45 – OTHER SAFETY FUNDED PROJECTS

Subject 1 – Stopping Lanes	17-45-1
Subject 5 – Roadway Treatments at Closures	17-45-5
Subject 10 – Humpback and Sag Crossings	17-45-10
Subject 15 – Track Removals and Modifications	17-45-15
Subject 20 – Enhancement Projects	17-45-20
Subject 25 – Exempt Crossings	17-45-25

SECTION 50 – CONTRACT ADMINISTRATION

Subject 1 – General	17-50-1
Subject 5 – Insurance	17-50-5

SECTION 55 – PROPERTY

Subject 1 – General	17-55-1
Subject 5 – Acquisitions	17-55-5
Subject 10 – Responsibilities for Acquisitions	17-55-10
Subject 15 – Determining Compensation	17-55-15

SECTION 60 – DESIGN CONSIDERATIONS

Subject 1 – Locating New Highway-Railroad Grade Crossings	17-60-1
Subject 5 – Grade Crossing Design	17-60-5
Subject 10 – Railroad Design Considerations	17-60-10
Subject 15 – Signing at Crossings	17-60-15
Subject 20 – Warning Devices and Systems	17-60-20
Subject 25 – Pre-emption/Interconnects	17-60-25
Subject 30 – Crossing Surface Types	17-60-30
Subject 35 – Miscellaneous	17-60-35
Subject 40 – High-Speed Passenger Rail	17-60-40

List of Figures

Procedure	Figure	Title
17-1-1	1	Terms And Abbreviations
17-5-1	1	Railroad-Highway Projects, Status Report Flow Chart
17-10-10	1	Principal Offices Involved With Railroad-Highway Projects
17-10-15	1	Preparation for Hearings
	2	Example Testimony
17-10-20	1	Legal Names of Railroad Companies Operating In Wisconsin
17-20-1	1	Process that is followed for a Highway Improvement Project with a Railroad Crossing but <u>No</u> Railroad Work is Anticipated
	2	Sample 86.13 Letter
17-20-5	1	Estimated Minimum Lead Times For Railroad Projects
17-20-15	1	Sample Of Letter Agreement With Railroad (Lump Sum)
	2	Sample Of Letter Agreement With Railroad (Design Approval)
	3	Sample Of Letter Seeking Railroad Approval of Contractor Work
	4	Sample Of Letter Seeking Railroad Approval of Storm Sewer Improvements
	5	Sample Of Letter Proposing WisDOT Work in Track Zone in Exchange for Railroad Providing Flagging Protection
	6	Sample Of Letter Proposing WisDOT Remove and Restore a Little-Used Track Crossing
17-25-1	1	Sample Agreement for Highway-Railroad Grade Crossing Warning Devices
	2	Railroad Crossing Report Form, DT 1589
17-25-5	1	Process that is followed for a Highway Improvement Project with an At Grade Railroad Component
17-25-10	1	Process that is followed for a WisDOT Railroad Safety Project (RR Force Work Component)
17-25-15	1	Process that is followed for an OCR Railroad Safety Project (RR Force Work Component)
17-30-5	1	Sample Agreement for Highway-Railroad Grade Crossing Surface – Highway Improvement Program
17-30-10	1	Sample Agreement for Highway-Railroad Grade Crossing Surface – WisDOT Safety Project
17-30-15	1	Process for a Crossing Repair Fund Project (No Federal Funds)
	2	Sample Agreement for a Railroad Crossing Repair Fund Project
17-35-1	1	Crossing Closure Incentive Payment Project Process
17-40-1	1	Structure Projects at Railroad Crossings
17-40-35	1	General Shoo-Fly Case
17-45-25	1	Exempt Railroad Crossing Process
	2	Maximum Train Speed as a Function of Track Class
17-50-1	1	Sample Letter - Start Work Notice
	2	Sample Letter - Start Work Notice
17-60-5	1	Examples of Allowable Roadway Grade Variation
	2	Runout Distance D on Approach to Track
17-60-20	1	Flashing Light Signals, Side of Road - Rural and Urban Roadway
17-60-40	1	Midwest Regional Rail Initiative, Wisconsin's Portion
